

Ohana Wellness Expo

Purpose

You are invited to join us take part of the inaugural Ohana Wellness Expo and sunset 5k/10k fun run. On Sunday, November 17th, 2019 we are looking for businesses to educate the local community on how they might assist in improving an individual's physical, environment, education, connection, and financial. The purpose of the Ohana Wellness Expo is to educate the community on the different dimensions of wellness and the options they have to improve in these areas. The Expo is being held Hale Halawai, coinciding with Historic Kailua Village Sunday Stroll!

Vendor Opportunities

Space is limited and will be a first come, first serve. We are asking that vendors not sell merchandise during the event, but provide education in fun interactive ways. We will be providing 32, 8ft tables with two chairs. Upon request there is extra available space outside for a 10x10 pop up tent.

Ohana 5k/10k fun run.

Run to begin at 4:00 pm
Run is an out and back course finishing at Hale Halawai.
Registration and packet pick up details to be determined.
